We are on the clock with this scheme as four very serious accidents have occurred recently and the Police are chasing to get visibility improved. Two phases have been completed with kerbing being upgraded around the junction and road resurfacing in all directions in Lamberts Hill B3136 and both Ridge Lanes with anti-skid also laid on both approaches. Signs and road markings have also been upgraded. We have negotiated land take from two landowners at the junction of Lamberts Hill and Ridge Lane and the legal process is moving forward We are trying to get these later stages completed and some tree removal done on the opposite side of Lamberts Hill before bird nesting season starts, so any help from yourselves would be appreciated.</p>	<p>Mr Martyn Evans Land At Lamberts Hill Pilton</p>
