RECTOR'S RAMBLES

February brings the beginning of Lent. Just before Lent begins we have Shrove Tuesday, or Pancake Day as we also call it. This year it falls on 21st February.

I don't know about you but I am always fascinated by the history and traditions behind these days. In the Church Lent commemorates the 40 days Jesus spent in the wilderness before he began his earthly ministry. In Anglo Saxon times it was the day everyone went to the Church to be Shriven, to be absolved from their sins before entering the Lenten fast. It was also a time to use up all the rich food like eggs and butter before fasting through Lent, hence pancakes.

Connected with Pancake Day are pancake races; traditionally they are said to have started in Olney in Buckinghamshire. It is said that in 1445 a woman heard the shriving bell while she was making pancakes and ran to the church in her apron, still clutching her frying pan. I don't know if it is true or not but what a great picture, and anyone would be welcome in our churches with pancakes! The Olney pancake race is now world famous (although I should confess at this point that I was not really aware of it).

Today many pancake races still happen and in addition people give up various things in lent, often chocolate. I wonder if we should consider fasting from other things, maybe foods with the greatest environmental cost? Whatever we give up, maybe we could also consider making an extra donation to charity as well, if you can afford it.

This year our headlines are around the struggle many people are having to provide food and fuel for their family. Many in our country are struggling and there are many great charities out there, whether you want to support one of the local food banks or help those in fuel poverty, which you can do by various charities including the Fuel Bank Foundation <https://www.fuelbankfoundation.org/>. If you find you are one of the many people struggling to pay for your fuel it is also a useful link to see if they are able to help you.

Enjoy your pancakes and whatever you give up, or take up, I pray you have a blessed Lent.

Rev. Chris

PRAYER FOCUS

As the hours of daylight lengthen we pray that we can look to the future with hope: hope for safer times in our daily lives, and in our world both politically and environmentally. We pray for God's presence to be with us in all the difficult situations that we experience as individuals and as inhabitants of this planet.

PSALMS

This month's Psalms include praise and thanksgiving for God's blessings and his presence in creation.

The psalms that can be read on Sundays in February are:

5 th February	Psalm 112: 1-9
12 th February	Psalm 136: 1-9, 23-end
19 th February	Psalm 99
22 nd February	Psalm 51: 1-18
26 th February	Psalm 32

BIBLE READINGS

5 th February	1 Corinthians 2: 1-12	Matthew 5:13-20
12 th February	Romans 8: 18-25	Matthew 6: 25-end
19 th February	2 Peter 1: 16-end	Matthew 17: 1-9
22 nd February	Isaiah 58 1-12	John 8: 1-11
26 th February	Romans 5: 12-19	Matthew 4: 1-11

BENEFACTIVE STUDY GROUPS

We continue to meet in North Wootton fortnightly on a Monday morning at 10.30am at the home of Tim and Felicity Wotton. Currently we are looking at the book of Revelation. Anyone is welcome to join us and please feel free to ring me if you would like more details (Chris Butler 899061).

Puzzling Questions Group will be meeting on Tuesday 7th February at 2.30pm in the New Coffee Room, Pilton. All are welcome to come along and join us.

ASH WEDNESDAY

Ash Wednesday is on 22nd February this year. This is the traditional start of Lent, the season leading up to Easter. In the Benefice there will be a Communion Service in North Wootton at 7.30 pm, which will include the opportunity for 'ashing' for those who wish to do so. This is an ancient tradition when ashes are made out of last year's palm crosses and the sign of the cross is made on people's foreheads. It is a symbolic reminder of our need for God's forgiveness in our lives.

LENT GROUPS

Our Lent groups this year begin at the end of this month during the first week of Lent.

This year we are going to be doing a Lent course based on a film called '*The Way*'. It is a fictional account about a father walking the Camino in memory of his son and what happens to him on the journey. If you can, do watch the film before we start, although that is not essential. The course will be based on the book '*The Long Road to Heaven*' by Tim Heaton which is based on the film and is available on E Readers or I will also have a number of copies.

There will be 2 courses each week:

PILTON Tuesdays 2.30pm

**at the New Coffee Room at the Methodist Church,
beginning on Tuesday 28th February.**

and

CROSCOMBE Wednesdays 2.30pm

**at Livadia, Fayreway the home of Janet Dowding,
beginning on Wednesday 1st March.**

It would be helpful if you could let me know you intend to come along so I can make sure there are enough books in advance.

Rev. Chris

TRAIDCRAFT 'OPEN HOUSE'
Friday 24th February
10.00am – 7.00pm
at The Brambles,
Barrow Lane, Pilton

Fairtrade Fortnight runs from 27th February – 12th March

I have not given up yet although I will not restock some items which have a short shelf life.

At the start of the year I have been able to send £500 to Transform trade, previously part of Traidcraft who give money to facilitate people on the brink of poverty to become self-sufficient. I also sent £100 to Crisis, £100 to Action for Children and £100 to the school in Zambia, which we visited and which depends entirely on voluntary contributions. None of this would have been possible without your support over the last year.

I look forward to seeing you on Friday 24th February for a coffee and a chat.

IDEA FOR LENT BOOKS TO READ FROM THE DIOCESE OF BATH AND WELLS

Dust and Glory: A Lent journey of faith, failure and forgiveness. This Lent we are all invited to explore how we can live well with the mess of everyday life. *Dust and Glory* encourages us to take a fresh look at the frustrations and failings that every day brings and seek to learn from them and grow closer to God through them.

[This year's resources](#) are informed and inspired by the Archbishop of Canterbury's 2023 Lent Book: *Failure: What Jesus said about sin, mistakes and messing stuff up* by Emma Ineson.

There will be daily reflections, a daily Bible reading, a short reflection and a practical challenge, as well as a prayer linked to the week's theme. An accompanying children's version is also available.

Both the booklets for adults and children are available to [order now from Church House Publishing](#).

CROSCOMBE SENIOR CITIZENS

It seems long ago but our last meeting was our Christmas lunch, which we kept local and had it in The Cross.

Fourteen members attended and Terri did us proud. We had a beautiful Christmas turkey meal with a choice of Christmas pudding or trifle for dessert in a very appealing atmosphere, and wine to toast this time of year.

We had a raffle, everyone taking home a prize, exchanging of cards and festive wishes and lots of conversation. It certainly was a very enjoyable time.

Thank you to everyone for coming and making the time extra special and if anyone would like to join us in the future we have our meetings in the Village Hall usually on the 3rd Thursday of the month at 2.15pm and you can become a yearly member for £10 or just one visit for £2.

We began our new year beginning with a sing a long with Cathy and John followed by tea/coffee and biscuits.

Happy new year to everyone

Our next meeting is on **23rd February** (N.B. revised date this month) at 2.15pm in the Village Hall with a talk about the Born Free Foundation from Dawn Lawrence.

PILTON VILLAGE HISTORY GROUP

**“Land of the Summer People”
Monday 13th February 7.30pm**

We were delighted to see over 50 members and visitors at our January meeting, for a fascinating talk on ‘The Monmouth Rebellion’. If you missed it, you can still watch a recording. Phone for details 890357.

Our next meeting on **Monday 13th February** at 7.30pm in Pilton Village Hall is our short AGM, followed by another treat to look forward to...

The talk is entitled “Land of the Summer People”, being near enough to the Saxon meaning of the name Somerset.

Iain Miles is very knowledgeable about this wet old county of ours, and will be telling us all about the history of the draining of the Levels of the central Somerset Plain, (Sedgemoor, The Brue and Axe Valleys), up until the events of 2014 and the reason why the county floods.

He is the Hon. President of the Westonzoyland Engine Trust, the Group that runs the Pumping Station Museum near Westonzoyland, preserving the 1831 building which housed the first steam land drainage engine in the county. The replacement engine of 1861, made by the firm of Easton and Amos, ran until replaced by a diesel pump in 1951.

The Trust was formed by some Somerset Industrial Archaeology Society members in 1977 and, after installing a modern boiler, they have opened it regularly to the public, whilst running both it and other machines brought on to the site.

WEST PENNARD PRIMARY SCHOOL

Happy New Year! Many of us at West Pennard started 2023 with our trousers tucked well into our socks as the children enjoyed extending their understanding of rainforest animals and invertebrates with a visit from Zoolab. The children in Key Stage 1 had close encounters with a range of creatures, including snakes and tarantulas and learned a great deal to support their understanding in Science. Huge thanks to Zoolab for bringing Science to life and ensuring that all the spiders made their way back to Zoolab HQ!

It was fabulous to see so many eager faces on the return to School during the first week back, and to observe the fantastic learning going on in all the classes and in our after school (extra-curricular) clubs. This term the children have the opportunity to extend their learning after school with djembe drumming, art, French, Yoga, Lego STEM challenges, board games, ocarina, drama, 3D printing, netball and gymnastics. It certainly makes you wish you were still at school!
