REIMAGINING GENEROSITY

In St John's Gospel, the first of the signs that Jesus offers to show who he is happens at a wedding in the town of Cana in Galilee (John 2: 1-11). Jesus saves the whole event from being a social disaster. The presenting issue is that the wine runs out. This exposes the families that have organised the event to the possibility of severe embarrassment. Rather than modelling lavish hospitality, they are in danger of showing themselves to be stingy and disorganised. Thankfully Jesus's mum is alerted to the situation and gets Jesus on the case. He comes up with a solution and all is well.

What gets me every time about this story is the scale and the quality of the solution that Jesus presents. If my calculations are right, Jesus saves the day by creating the equivalent of six wheelie bins full of wine. And not just your supermarket bottom shelf stuff. The wine he provides is of the very best quality – stuff that would delight sommeliers and wine snobs the world over.

In his first action, Jesus could have chosen to show any number of things about himself – his wisdom, his power, his goodness and so on. What's striking is that he begins by revealing that he is someone of astonishing and abundant generosity. This is at heart who Jesus is.

If this is who Jesus is, then that means that this is who God is too. For 'in God there is no unChristlikeness'. In his first action, Jesus is showing us that at heart, God is abundantly and astonishingly generous.

If we're all made in God's image, might that be at heart who we're called to be too? Often, the call to be generous can be portrayed as hard and difficult, about self-sacrifice and denial, of the costly call to put others first. But what if we reimagined what being generous means? If we understood being generous as in fact the way to reveal and enjoy our true selves – lavishly, abundantly, joyfully... merrily?

A wheelie bin of wine anyone?

Bishop Michael

CARING FOR OUR CHURCHES

We send our good wishes and prayers to anyone who is unwell whether you are at home or in hospital. We remember those receiving treatment, those awaiting the results of tests and those who care for needy people, and we send our loving sympathy to people recently bereaved.

Information will also be available on the Council Instagram account, @piltonparish, and posted to the Pilton Community Facebook page. We are very much looking forward to all individuals over 16 years old responding so we have a clear understanding of the majority interests of parishioners for the parish's future.

Overhanging vegetation and low-lying growth such as nettles. Please cut back growth of hedges and verges that impede pedestrians. We have had a number of reports of difficult footways in the area. It is the landowner's responsibility to prevent vegetation on their properties causing potential hazards on public thoroughfares.

The October Litter Pick will meet at 9am 12th October in the Village Hall car park. Do please come and help. Equipment, as always, will be provided.

Parking – always a problem, but please be aware of allowing room for both pedestrians and traffic to pass your vehicle safely.

PILTON VILLAGE HISTORY GROUP

The next meeting of Pilton Village History Group after our August break will be on **Monday 9th September in Pilton**

Village Hall at 7.30pm. All are welcome!

Instead of an outside speaker, we are having a "**Finds, Pictures, Stories and our new Website**" evening. We are inviting all members to bring something to the meeting and tell us about it... It could be a photo of an event, person or place, a memory of Pilton, a 'found' treasure or intriguing object, in fact almost anything from or about Pilton that others would find interesting.

The Website Team are also going to update the meeting, and give everyone a chance to see the progress being made on an actual active version of the website. We have already uploaded about one third of our existing catalogue of around 1000 documents and have made good progress on the large number of photos that we have. Lots of these have also been turned into interesting articles (posts) for people to read. All very exciting stuff.

Members free, Visitors £4

Refreshments provided.

COMMUNITY FRIDGE help needed.

The community fridge is seeking volunteers for collections and a project co-coordinator.

Collection and open volunteers Very simple task, can take as little as 5 mins, most volunteers do 2-4 sessions per month. Full training given.

Project co-ordinator After running the foodshare for 4 years, it is time for someone new to take the reins! Pleeeeeeease 🙏

It doesn't need a lot of work - a deep clean, organising and keeping an eye on the rota at a minimum. I estimate around 5 hours per month. Full training and assistance given.

It is a great project, and needs a bit of energy to keep things going, reduce food waste and share food in our village

Please contact Kelly on 07931509104 or kellyexton@hotmail.co.uk

CROSCOMBE SENIOR CITIZENS

The lady from the owl sanctuary was supposed to have arrived at our August meeting but due to a slight hiccup went to Corscombe not Croscombe, a mistake anyone could make, I suppose.

Because we had no speaker, we had tea and homemade biscuits first and then three members gave a chat about something in their lives. Lyn told about her Mediterranean cruise, Pat talked about a mandolin that passed down through her family and Les told about his time in service.

Amazingly the time went by very quickly listening to these different but interesting accounts of life; it was definitely not what was expected of the afternoon but still just enjoyable. The owls will now be in September

Everyone is welcome to come along to discuss the strategy and plans to help protect the village for the future. We have invited Dr Paul Elliston again (our liaison between the key authorities) and hope that he will be able to attend and answer your questions too.

We are looking for another person to join the Flood Committee who has an interest in helping to reduce flooding in Croscombe. If you are interested, please contact Paul Hodge on pjhodgemail@gmail.com

BUS IT THIS SEPTEMBER

September is an important month for bus users and for all those thinking of switching to going by bus. September is 'CATCH THE BUS MONTH'.

Also in Somerset, September is one of the only two opportunities in the year that bus companies can change their bus timetable. Bus operators have been looking at their schedules, checking their passenger numbers and some will be making changes from September 1st to optimise their returns. If you can go online, do check your local bus routes to see what your bus times are from September 1st. The best way of doing this is to go to www.bustimes.org, put in the number of your local bus route and bus times for your local stop will appear. Somerset Bus Partnership has also listed all the bus services which will change in September including a link to the new timetables: <https://www.somersetbuspartnership.co.uk/busservices>

Given the financial emergency declared by Somerset Council, Somerset has not the money to increase its funding of buses so the best way of ensuring you keep your local buses is to BUS IT whenever you can, especially this 'Catch the Bus Month!' By supporting your local bus services whenever you can, you are playing your part in ensuring there are buses for those in your local community, young and old, who do not drive or do not have access to a car and hence are dependent on buses. Transport accounts for 45% of carbon emissions in Somerset, so reduce your environmental impact and travel by bus. It is good for your pocket too, as a single bus fare costs just £2 or less and that is guaranteed through to the end of the year. To celebrate 'Catch the Bus Month', Somerset Bus Partnership is organising over 25 bus stalls across Somerset. We will have all the local bus timetables at these stalls to give away free. To find out where your nearest bus stall is: <https://www.somersetbuspartnership.co.uk/events> We are also in need of volunteers to help out for an hour or two at a bus stall. Please get in touch if you can help by contacting us at: somersetbuspartnership@gmail.com

So BUS IT during September's CATCH THE BUS MONTH.
